

1. 1981-Mai. Groupe Travail Règle Bruxelles. Dépouillement Consultation (sauf U.S.A) Projet REUTE de 1 á 100. Réunion Bruxelles. [1. May 1981 Rule Work Group. Brussels. Results of the consultation except USA. Reute draft from 1 to 100. Brussels Meeting.] (Green Box 4)

Green Box 7 contains a list of congregations who responded to the second consultation on a draft of the Rule. Following the list are completed questionnaires (4 p.) about each chapter in the draft with comments and suggestions in Spanish, German, Dutch, Italian, French, English, and Portuguese. Many of the questionnaires have additional comments attached to them, and signatures of members of the congregation. Each document has a handwritten number from 1-100 at the top right hand corner, which corresponds to the congregation who authored the document (see list). A number of the congregations did not use the questionnaire, but provided comments and suggestions about the draft of the Rule. Congregations 73, 93-97, and 136 worked together during weekends of reflection. The answers to their questionnaires may have similar thoughts and rationales, but also may reflect differences in opinion. Congregations 73, 93, 95, 96, and 97 have an explanation letter before their comments about the congregations' reflection meetings and the draft of the Rule. Documents are handwritten and/or in original and reproduced typescript.
