Merit Scholarships – Semester Limit

Starting with students entering St. Bonaventure in the summer of 2015, eligibility for a University merit-based (academic) scholarship shall be limited to a total of eight (8) consecutive semesters. All awards are available for 8 semesters to students who maintain full-time undergraduate status and the required cumulative grade point average for renewal each year. Since these awards are not applicable during summer sessions, J Term, or study abroad, attendance in these periods will not count toward the eight semesters of eligibility.

Approved October 20, 2015
